Hi Neighbour!

Section 1: Grant Details

The Storefront improvement Program will **reimburse 50% of eligible costs** towards your project up to a maximum of \$1,500 for Minor Grant recipients, \$5,000 for Major Grant recipients, and \$3,500 per unit for Multi-Unit Grant recipients.

All Major Grant and Multi-unit grant projects must have drawings and proposed costs approved before the start of the project. Work undertaken prior to grant approval will not be reimbursed.

Minor Grant projects can be submitted up to 1 year after completion.

Safety & Security Program grants are available to each BIZ member every 3 years.

The applicant will be responsible for paying for the related costs of a project prior to receiving the grant. Multiple improvements may be submitted on one application. Prior to reimbursement, representatives of the BIZ board will review the application and inspect the improvements.

The BIZ reserves the right to determine the eligibility of all projects on a case-by-case basis. Eligible costs include the related labour and supply costs of an improvement, but **not** the costs related to zoning, permits, administration, legal and/or financing services.

All applications will be reviewed on a first come, first serve basis. Applicants will be informed of their approval by the BIZ.
